

PART-TIME / AS-NEEDED PILOT

Condensed Pilot Application

Central Florida | 352-325-1772 | michael@reconimg.com

Recon Imaging documents property conditions through accurate aerial and ground imagery. Safety, legality, objectivity, privacy, and evidence integrity come first.

Position Summary

Part-time W-2 pilot; assignments scheduled as needed with no guaranteed hours. Safely capture assigned imagery under FAA rules and Recon Imaging procedures. Current Part 107 qualification, reliable transportation, sound judgment, and professional conduct are required. Company equipment may be assigned; pay is discussed during the interview and stated in any written offer.

Evidence Integrity and Privacy

☐ I will preserve original files, metadata, timestamps, filenames, and required transfer records.
☐ I will not edit, rename, delete, post, copy, or share assignment media unless authorized.
☐ I will use approved devices, storage, accounts, memory media, and transfer methods.
☐ I will immediately report missing or corrupted files, clock errors, accidental deletion, incidents, or custody concerns.
☐ I will document conditions objectively and protect client confidentiality, privacy, property boundaries, and access credentials.

04 Applicant Certification

Read the statements carefully before signing.

Certification and Authorization

☐ I certify that this application and its attachments are true, complete, and accurate. I understand that a material false statement or omission may disqualify me or result in termination if discovered after hire.

☐ I authorize Recon Imaging LLC to verify job-related information, including employment, references, FAA credentials, training, and driving qualifications. Any consumer report or background check will require separate disclosure and authorization when required by law.

☐ I understand this application is not an employment contract or promise of work. Assignments may be irregular, weather-dependent, postponed, or canceled, with no guaranteed hours. Employment is intended to be at will to the extent permitted by law unless a signed written agreement says otherwise.

☐ I understand any offer may depend on credential, work-authorization, driving, insurance, background-check, training, and practical-flight verification.

Judgment and Applicant Notes

If a bystander enters the flight area or airspace legality becomes uncertain, what would you do? Also list any crash, near miss, data loss, scheduling restriction, or conflict affecting availability or objectivity. Write None where appropriate.

Important Information

Present FAA and driving credentials only when requested for verification. Employment-eligibility, payroll, background-check, confidentiality, equipment, insurance, and training documents are completed only after a conditional offer or at the appropriate hiring stage.

Recon Imaging LLC considers qualified applicants based on job-related qualifications, safety, reliability, integrity, and business needs, without unlawful discrimination. Reasonable accommodation is available for the application and interview process as required by law.
